

Purton House Weddings

Elegant and Intimate

Purton House is a stunning stately home with a relaxed and friendly atmosphere.

Invite your friends and family to witness your exchange of vows in our beautiful drawing room or on our gently sloping lawn near the lake.

Enjoy a glass of prosecco in vintage coupe glasses with elegant canapes in the main hall, have your pictures taken in the walled garden or the magical fairy garden by the lakeside, or on the balcony on the south lawn.

Sit down to a wonderful 3-course feast served on antique plates, with silver cutlery and crystal glasses.

Move back to the drawing room for tea and coffee and maybe to cut your cake, or wait for your evening guests to share this important part of the day.

We know your evening guests will need to be very well looked after since they have missed out on the ceremonial part of the day, have no fear! They will arrive to a complementary fizzy cocktail and the bar will be opened with cocktails and a great choice of gins.

The evening buffet is sumptuous! We can do a large grazing table with charcuterie and cheeses, grapes, nuts, hummus, chutneys and breads.

Dance the night away with a small band, DJ or pianist before retiring to your bridal suite up the wonderful white stone staircase and another glass of champagne!
